Careers Stars of the Week

Year 6 Visit RFSS

Year 6 have had a wonderful two days visiting RFSS. They took part in a Year 7 style Science and Maths lesson. In Science, they learnt about the different parts of a microscope and then had the opportunity to look at 14 different specimens under a microscope; focusing and moving the stage where necessary. In Maths, they covered plotting coordinates on four quadrants and then got to play a game of battleships using their knowledge!

Safe and active schools

Thursday 20th June is Clean Air Day. How can we help?

- Where possible, walk, cycle and scoot to school and work
- Use quieter streets instead of main road,
- Switch off engines/ignitions when waiting in the car
- Open windows to let fresh air in

If you are concerned that a child appears unhappy or is being abused act now using the contact numbers provided below or alternatively come in to school and ask to speak to a DSL.

Contact the **Warwickshire's Children and Families Front Door** on **01926 414144**. Lines are open Monday to Thursday 8am-5.30pm, Friday 8.30am- 5.00pm.

If you need to get in touch out of usual office hours, please contact the Emergency Duty Team immediately on **01926 886922**.

If you think that a child is at immediate risk, contact the police immediately by dialling **999**.

What will happen if I report child abuse?

Childcare agencies believe that children are best

cared for by their parents. Children are rarely removed from their parents and most families are given help and support. Social Workers can only remove children from home with a court order and only after they have demonstrated that the child is at serious risk. If you would like to speak to someone in school about your concerns the above members of staff are Designated Safeguarding Leads and will be happy to listen to your concerns and take the appropriate steps to safeguard a child.

Safeguarding and promoting the welfare of children is everyone's responsibility
