

English

We will use a fictional stimulus in our English lessons. We will develop a range of reading and writing skills linked to our text including, prediction, inference, using a range of sentence structures and writing for a range of purposes.

Within our writing-based lessons, we will continue to embed our Year 5 skills to write a variety of text types: riddles, diary entries, letters, speeches, playscripts and summaries.

Within guided reading, we will continue to work on our comprehension skills and develop our stamina for reading whilst focusing on a variety of different texts linked to our History unit.

Maths

Decimals

We will be continuing our learning on decimals. Using efficient methods to add and subtract and multiplying and dividing by 10, 100 and 1000.

Negative numbers

Understanding what negative numbers are and how they link to everyday life. Solving problems using negative numbers.

Measurement

This topic will focus on converting units of measure and calculating volume of shapes.

History

We will be looking the Tudors this half term!

This will include looking in further detail at significant events and people during the Tudor period, such as The Battle of Bosworth and the infamous King Henry VIII.

We will use our historical skills to critique different artifacts that were once owned by the Tudors.

PSHCE

Relationships

Changing Me – we will explore our own self-image and know how to boost our self-esteem. Within this unit we aim to understand changes related to puberty and learn how babies are made.

Science

This half term we will be focusing on Animals and Humans.

- Exploring different animals and human lifecycles
- Describe the changes that affect humans from birth to old age.
- Explain what puberty is and how causes physical changes in boys and girls is.

Summer 2

Year 5

RE

This half term we will be focusing on the Christianity. We will be exploring how Christians show their commitment to God through different religious services and events.

PE

Athletics

We will be learning how to use our bodies to run, jump and throw with increasing accuracy and distance.

Tennis

We will also be improving our tennis skills, such as our underarm serve as well as learning the rules and beginning to play full games.

Music

We will continue to participate in our fortnightly trumpet sessions.

Learn to sing and perform.

Computing

Word Processing

This half term we will be learning about the uses of word processing tools. This will include adding and editing images and text, as well as using tables to display information and using templates to create specific documents such as letters and newspaper reports.

Art and Design

This half term we will be extending our drawing skills.

Using different types of sketching pencils to achieve particular effects.

Building up to a final piece: drawing a portrait of a Tudor monarch.

Spanish

At the seaside!

Understand the nouns for items I take to the beach and write extended sentences about visiting the seaside.
